

The Glendale Chamber of Commerce is once again happy to sponsor Glendale's

“Christmas in the Square”

The annual event will be held on Wednesday, December 7th. Visit the square from 4-8:30 and enjoy great music, food, children's rides and activities, shopping, carriage rides and lots more to get you in the holiday mood.

As part of the celebration, the Glendale Chamber is again sponsoring the **“Wish Tree”**. This festive tree in the square will be covered with special ornaments. This year, the ornaments describe “wishes” that residents of our own community are hoping to receive. These are our friends and neighbors who are facing a less than happy holiday due to circumstances that we all can appreciate especially during this very challenging time in our community and country.

The Chamber hopes that you will consider taking a wish from the tree to help make a fellow Glendale mother, father, grandma, grandpa and especially a Glendale child have a wonderful Christmas morning.

The ornament will describe all the information you will need to buy the item requested and when and where to return it. Please make sure you take the ornament **OFF** the tree and tie to the wrapped item when you are ready to return.

Thank you for joining us in celebrating in such a meaningful and heartfelt way.

The Glendale Chamber of Commerce

Also sponsored by the Glendale Police Department
